### **Elementary and Secondary Prices and Policies**

Elementary students (PreK-6<sup>th</sup> grades) must enroll for classes on both Tuesdays and Thursdays. Depending upon their course selections, secondary students (7<sup>th</sup>-12<sup>th</sup> grades) may choose to enroll in one or two courses on a Tuesday and/or one or two courses on a Thursday. Either way, the secondary tuition is the same per day. (A generous multi-child discount is included in the above tuition schedule which applies to the number of children enrolled per family on a per day basis.) Student and/or vacation days are not deducted from tuition.

Effective 2018-19, the annual tuition will be billed in 10 equal, monthly installments. Any adjustments to the tuition due to Tutorial closings or withdrawal from Tutorial will be adjusted in the subsequent month. The annual, student matriculation fee is not included in the average monthly rate and will be billed separately in August.

Monthly invoice reminders will be emailed directly to you at the beginning of each month. Tuition will then be due by the 15<sup>th</sup> of each month. Those wishing to pay tuition by semester may do so; however, there is no discount for prepayment. If tuition is unpaid by the 15<sup>th</sup> of the month, a \$25 late fee will be automatically charged to your account. If any unpaid balance is 60 days old, you will be asked to withdraw your child(ren) until the balance is paid, including ongoing monthly tuition. The returned check fee is \$25.
