

SCIENCE 2020-21

Biology Email Lezlie Haynes at lezlie@43llc.com with any questions

This is a 9th/10th grade level class.

Participation in the FAITH Tutorial Science Fair is *required* for this class.

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

****THEY ARE IN THE PROCESS OF UPDATING THIS CURRICULUM SO PLEASE ORDER 3RD EDITION WHEN IT BECOMES AVAILABLE****

For textbook information contact: Apologia, www.apologia.com, 888-524-4724

Apologia Exploring Creation with Biology, 3rd Edition Textbook by Dr. Jay Wile & Durnell
Student text and solutions/test manual

Apologia Exploring Creation with Biology, 3rd Edition Student Notebook by Dr. Jay Wile & Durnell

General Supplies:

3-Ring Binder with tabs

Colored pencils, paper, pencil

1 plastic folder with brads

1 container of disinfecting wipes

1-36"x48" science fair display board with topper (Hobby Lobby preferred)

(Teacher will notify you when it is time to purchase this, but if you see it on sale before then, we wanted you to know it will be needed.)

*Apologia currently offers an Audio CD (a reading of the textbook on CD) of most of their science courses. Apologia also has CD-ROM's of the texts as well.

*All supplies should be brought the first day of class. Pencils should be already sharpened.
Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year.
Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
