

MATHEMATICS 2020-21

Geometry Email faith.tutorial@yahoo.com if you have any questions.

*Algebra 1 is a pre-requisite for this class. Also required is a math assessment given to all students entering Geometry.**

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

Geometry by Math-U-See (Make sure that it's the newest edition that includes Honors lessons)
Instruction Pack (with DVD)
Student Kit

If you have any questions, call Math U See at 1.888.854.MATH, www.mathusee.com

General Supplies:

1" 3-ring binder with tabs, notebook paper, pencils, protractor, ruler, compass
TI-84 Plus CE Graphing Calculator (used after Christmas and in subsequent years)
1 package of 4 Dry erase EXPO markers (mixed colors)

**The assessment is given to all students enrolled at the Tutorial. Students enrolled at the Tutorial for Algebra I during the 2019-20 academic year will take the assessment in class. Any new students entering Geometry for the 2020-21 academic year will be given information about the assessment upon registration.*

*All supplies should be brought the first day of class. Pencils should be already sharpened.
Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year.
Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
