

MATHEMATICS 2021-22

Pre-Calculus & ACT Prep Email Lezlie Haynes at sooners@click1.com if you have any questions.

Algebra II is a pre-requisite for this class. Also required is a math assessment given to all students entering Pre-Calculus.

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

Pre-Calculus Student Pack

Official ACT Prep Guide

(Numerous versions of this guide exist so in an effort to avoid confusion, the Tutorial will order the correct version for students the first week of class. The amount of the purchase will be added to the September invoice.)

****ACT Exam is mandatory when offered nationally in December and April****

General Supplies:

Binder with tabs

Protractor

Graph paper (small package)

Pencils, Paper

Colored pencils

2- composition notebooks

TI-84 Plus CE Graphing Calculator

As noted on the secondary schedule/registration forms, if we do not meet the minimum number of participants for this class, we will not offer it. Any registered students would be notified ASAP once that decision is determined. Thank you!

**The assessment is given to all students enrolled at the Tutorial. Students enrolled at the Tutorial for secondary math during the 2020-21 academic year will take the assessment in class. Any new students entering Pre-Calculus for the 2021-22 academic year will be given information about the assessment upon registration.*

*All supplies should be brought the first day of class. Pencils should be already sharpened.
Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year.
Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
