

MATHEMATICS 2022-23

Algebra II & ACT Prep Email Lezlie Haynes sooners@click1.net if you have any questions.

*Algebra I is a pre-requisite for this class. Also required is a math assessment given to all students entering Algebra II.**

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

**The assessment is given to all students enrolled at the Tutorial. Students enrolled at the Tutorial for secondary math during the 2021-22 academic year will take the assessment in class. Any new students entering Algebra II for the 2022-23 academic year will be given information about the assessment upon registration.*

*All supplies should be brought the first day of class. Pencils should be already sharpened.
Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year.
Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
