Algebra II & ACT Prep Email Lezlie Haynes at soonerstn@gmail.com with any questions

Algebra I is a pre-requisite for this class.

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

Algebra II by Math-U-See

Items required to purchase are:

Instruction Manual
Instructional DVDs
Student Workbook
Tests Booklet

You may purchase these required items from various sources but if you visit the Math-U-See website, you will want to follow the prompts below to get to the correct option:

- *Visit mathusee.com
- *Click on Products
- *Click on Math-U-See Curriculum
- *Click on Algebra II option

Once on that page, scroll down to the blue-colored banner labeled Algebra II Products and you'll see 3 options in that blue-colored banner. If you need all 4 of the above required items, click on the **UNIVERSAL SET** option. It will include all the required items needed including a bonus item.

If you already have the required Instruction Manual and Instructional DVDs and just need the required Student Workbook and Tests Booklet, then follow the prompts as above but click on **STUDENT PACK** in the blue-colored banner.

Official ACT Prep Guide

(Numerous versions of this guide exist so in an effort to avoid confusion, the Tutorial will order the correct version for students the first week of class. The amount of the purchase will be added to the September invoice.)
