

SCIENCE 2022-23

Chemistry Contact Lezlie Haynes at soonerstn@gmail.com if you have any questions

This is a 10-12th grade level class. It does have an honors option.

Successful completion of Algebra I is required. Enrollment in Algebra II is helpful, but not required. Participation in the Faith Tutorial Science Fair is *optional* for this class.

In an effort to better prepare our high school students for standardized testing that they will encounter before and after graduation, throughout this class we will incorporate practical examples and questions derived from a variety of tests which include, but are not limited to: ACT, SAT, military, vocational schools and career-specific testing.

Curricula may be ordered from Apologia, www.apologia.com, 888-524-4724, Amazon, CBD, etc.

Apologia Exploring Creation with Chemistry, Third Edition by Dr. Jay Wile

Required items include:

- Student Textbook
- Solutions and Test Manual (including test pages)

This can be purchased as the Basic Set or individually. But, all of the above are required.

General Supplies:

- 3-Ring Binder with tabs
- Calculator (Scientific or TI-84 Plus CE Graphing Calculator)
- Pencils and Paper
- 1 container of disinfecting wipes

*Apologia currently offers an Audio CD (a reading of the textbook on CD) of most of their science courses. Apologia also has CD-ROM's of the texts as well

All supplies should be brought the first day of class. Pencils should be already sharpened.
