Math:

Math U See, www.mathusee.com, 888-854-6284
4 Items from EPSILON products required to purchase* are:
Instruction Manual, Instructional DVDs, Student Workbook, Tests Booklet

*You may purchase these required items from various sources but if you visit the Math-U-See website and purchase them new, you will want to follow the prompts below to get to the correct option:

Visit mathusee.com
Click on Products
Click on Math-U-See Curriculum
Click on Epsilon option
Once on that page, scroll down to the blue-colored banner labeled Epsilon Products and you'll see 4 options in that blue-colored banner. If you need all 4 required items, click on the **LEVEL UP SET** option. It will include all the required items needed including a bonus item.

If you already have the required Instruction Manual and Instructional DVDs and just need the required Student Workbook and Tests Booklet, then follow the prompts as above but click on **STUDENT PACK** in the blue-colored banner.

Follow these prompts to a math assessment that includes the math concepts that students will be expected to know prior to 5th grade math at the Tutorial.

Visit mathusee.com
Click on Placement
Click on the blue banner in the middle (learn more about mathusee placement)
Click on Classroom Placement
Click on General Math Placement Tests
Click on Delta

*All supplies should be brought the first day of class. Pencils should be already sharpened.
Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year.
Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
