Math:

Math U See, www.mathusee.com, 888-854-6284

4 Items from DELTA products required to purchase* are:

Instruction Manual, Instructional DVDs, Student Workbook, Tests Booklet

*You may purchase these required items from various sources but if you visit the Math-U-See website and purchase them new, you will want to follow the prompts below to get to the correct option:

Visit mathusee.com

Click on Products

Click on Math-U-See Curriculum

Click on Delta option

Once on that page, scroll down to the yellow-colored banner labeled Delta Products and you'll see 4 options in that yellow-colored banner. If you need all 4 required items, click on the **LEVEL UP SET** option. It will include all the required items needed including a bonus item.

If you already have the required Instruction Manual and Instructional DVDs and just need the required Student Workbook and Tests Booklet, then follow the prompts as above but click on **STUDENT PACK** in the yellow-colored banner.

Follow these prompts to a math assessment that includes the math concepts that students will be expected to know prior to 4th grade math at the Tutorial.
