Item for *optional* at-home use: Integer Block Set  
4 Items from GAMMA products required to purchase\* are:  
Instruction Manual, Instructional DVDs, Student Workbook, Tests Booklet

\*You may purchase these required items from various sources but if you visit the Math-U-See website and purchase them new, you will want to follow the prompts below to get to the correct option:

Visit [mathusee.com](http://mathusee.com)

Click on Products

Click on Math-U-See Curriculum

Click on Gamma option

Once on that page, scroll down to the pink-colored banner labeled Gamma Products and you'll see 4 options in that pink-colored banner. If you need all 4 of the above required items, click on the **LEVEL UP SET** option. It will include all the required items needed including a bonus item.

If you already have the required Instruction Manual and Instructional DVDs and just need the required Student Workbook and Tests Booklet, then follow the prompts as above but click on **STUDENT PACK** in the pink-colored banner.

Follow these prompts to a math assessment that includes the math concepts that students will be expected to know prior to 3<sup>rd</sup> grade math at the Tutorial.

Visit [mathusee.com](http://mathusee.com)

Click on Placement

Click on the blue banner in the middle (learn more about mathusee placement)

Click on Classroom Placement

Click on General Math Placement Tests

Click on Beta

*To supplement our math curriculum at home, please consider a workbook that covers a variety of math skills including: time, money, measurements, graphs, fractions, etc. You may choose any brand you prefer, but some suggestions are workbooks by Spectrum and Evan-Moor.*

*All supplies should be brought the first day of class. Pencils should be already sharpened.*

*Depending on your grade, please note that you may be asked to print assignments or various documents on your own throughout the year. Therefore, please be prepared to have access to your own printer, paper and ink cartridges as necessary.*
