

## High School Education Plan

If you choose to partner with us for your child's education, below is a tentative plan of what classes we anticipate offering on an annual or biennial rotation that would count for high school credit.

### Math

Algebra 1  
Geometry  
Algebra 2  
Statistics

### Science

Biology  
Chemistry  
Anatomy & Physiology

### Language Arts

Language Arts 9 & World Literature  
Creative Writing I & American Literature  
Creative Writing II & English Literature

### Electives

American Government  
Economics  
Health  
Personal Finance  
Psychology  
World Geography  
US History

*\*Please note that the Tutorial is not a guidance counselor. You must rely on your umbrella school for required subjects needed prior to high school graduation. If you have any questions, please email [faithhomeschooltutorial@gmail.com](mailto:faithhomeschooltutorial@gmail.com) or call 731.225.8172.*
